Number of ECTS and/or workload (in hours)	3 ECTS																														
Language(s) of instruction	English																														
Key words	Borders	Migration	Mediterranean	Intercultural perspectives																											

Catch Phrase	An interdisciplinary programme exploring migration across the Mediterranean through asylum law, institutions, histories and lived experiences; going beyond crisis-driven narratives.
Total number of places for EUniWell participants	20
Application procedure	Application form on the EUniWell Courses and Training Catalogue
Selection criteria	<p>Priority target audiences are Master's and PhD students, followed by third-year undergraduate students.</p> <p>Selection will be based on the relevance of the field of study, motivation, and English language proficiency.</p>
Abstract	This blended intensive programme examines migration across the Mediterranean through an interdisciplinary approach combining history, law, geography and cultural analysis. It focuses on asylum and refugee protection, border practices and institutional frameworks, while situating contemporary movements within longer historical trajectories. Through online preparatory sessions and an intensive on-site week in Paris, participants engage in seminars, workshops, institutional visits and field-based activities.
Programme / session(s)' schedule	The programme includes online preparatory sessions, followed by a five-day in-person session in Paris. The on-site component combines lectures, seminars, workshops, institutional visits and cultural activities.
Developed skills and competences	<ul style="list-style-type: none"> - Critical and interdisciplinary analysis - Understanding of asylum and refugee protection frameworks - Institutional and legal literacy - Observation and qualitative analysis - Intercultural communication and collaboration
Objectives and learning outcomes	<p>By the end of the programme, participants will be able to:</p> <ul style="list-style-type: none"> - Understand key migration dynamics in the Mediterranean from historical, legal, and institutional perspectives - Analyse asylum systems, border practices and migration policies using interdisciplinary tools - Connect legal norms with lived experiences, territorial contexts, and intercultural realities - Develop critical reflection and collaborative skills in an international academic

	environment
Assessment methods and criteria (if applicable)	Upon attendance and participation to classes and activities, and completion of the programme
Type of certification issued upon attendance or completion	EUniWell completion certificate
